

# CURRENTS

T w e n t y

ELECTRICAL AND ELECTRONICS ENGINEERING ASSOCIATION  
NATIONAL INSTITUTE OF TECHNOLOGY, TIRUCHIRAPPALLI – 620015  
Ph: +91 82201 08895 E-Mail: [eee.currents@gmail.com](mailto:eee.currents@gmail.com)

## **RULES – GENERAL**

- 1) Maximum of three participants per paper and one paper per team.
- 2) All the entries should be in the standard IEEE format. The topic should fall within the scope of Electrical and Electronics Engineering.
- 3) The completed paper in the prescribed format should be sent to [eeea.colloquium20@gmail.com](mailto:eeea.colloquium20@gmail.com)
- 4) The subject of the email should be the name of the first (communicating) author, followed by the College name.
- 5) Plagiarism in any form will lead to disqualification of the entry.
- 6) The short-listing process will be strict, and each paper will receive fair scrutiny. The decision of the panel in the selection process is final.
- 7) The presentation (of the selected paper) can last to a maximum of 10 minutes. This will be followed by a 5-minute Q & A session.
- 8) Further instructions regarding the final round will be notified to the authors via email.
- 9) The participants will have to present their paper in Microsoft PowerPoint.
- 10) All the team members of the selected papers have to be present during the event.
- 11) The top 10 teams will be selected to present during CURRENTS 20.
- 12) The deadline for paper submission is 7<sup>th</sup> February 2020.

## **PAPER FORMAT**

- 1) The paper should be submitted in PDF format (with an A4 page size).
- 2) The paper should necessarily have an abstract and its first title should necessarily be

**“Introduction”; the last two titles of the paper should necessarily be “Conclusion” and “References”.**

**3) The abstract should be brief containing at most 300 words. The limit on the number of pages of full-length paper is at most 10 sides (including tables, figures, references etc.). Do not deviate from this format.**

**4) The abstract should contain a general summary of the paper stating the problem statement, recent works, the proposed methodology and major contribution of the paper.**

**5) The aforementioned points should be in order.**

**6) Besides the aforementioned titles, the paper should also contain background theory, experimental analysis, simulation studies and results. However, slight deviations from these titles are accepted.**

**7) Figures, tables and charts must be included within the body of the paper and each entity must be numbered accordingly.**

**8) The reference numbers must be included inside the text, as and when they are relevant. Referencing style: The style of referencing should be uniform and consistent, i.e. author's name followed by title of the article, name of the journal/conference, month and year of publication, volume no., issue no., page no. (pp).**

**9) The paper may be summarily rejected if not submitted in the prescribed format.**
